

OKLAHOMA COUNTY SHERIFF'S OFFICE FRATERNAL ORDER OF POLICE LODGE #155
P.O. BOX 2923 OKLAHOMA CITY, OKLA. 73101

July 22, 2008

During the monthly meeting of the Oklahoma County Sheriff's Office Fraternal Order of Police Lodge 155, a Vote of No Confidence was unanimously given to County Commissioner Brent Rhinehart.

It is our belief that Mr. Rhinehart has a personal agenda and is not conducting himself in a professional manner. He continues to embarrass the Citizens of Oklahoma County and the State of Oklahoma.

This is a crucial time for Oklahoma City and Oklahoma County with all the National attention we are receiving due to our new NBA team relocating to our area. Commissioner Rhinehart by his negative antics is undermining all the positive attention that is being received. With new businesses looking at our area to possibly relocate, Brent Rhinehart is painting a very negative portrait.
